

Flows Illustration

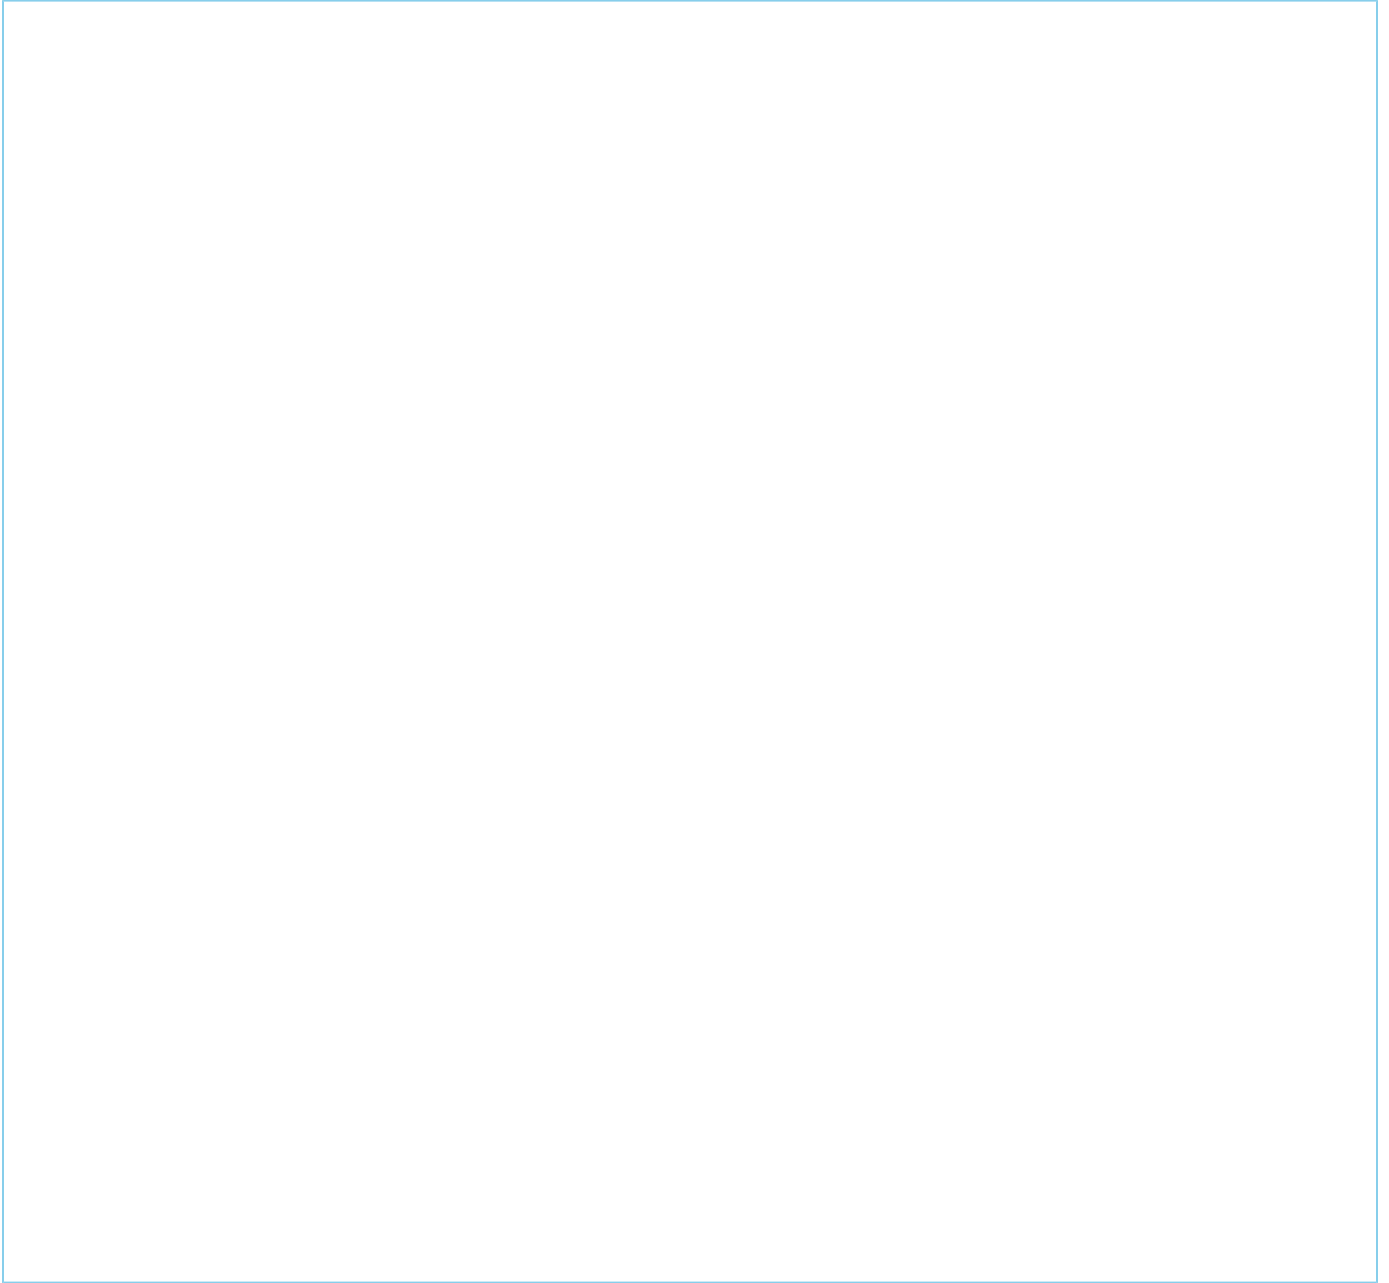

Description

This section illustrates different login/registration flows from the user point of view. These flows are part of our best practice implementation as described in [Web Wireframes](#) and in [Social Login - best practice implementation](#).

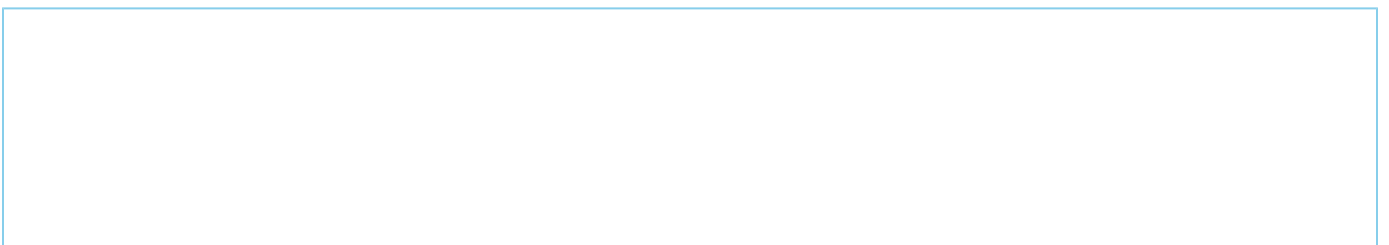

Social Login/Registration - Basic

Second Step Registration

A large, empty rectangular box with a thin blue border, occupying the majority of the page. It is intended for content related to the 'Second Step Registration' section.

Linking Accounts

A smaller, empty rectangular box with a thin blue border, located below the 'Linking Accounts' section header. It is intended for content related to linking accounts.

Returning User
