

# Developer's Guide Specific Cookies

The Gigya Developer's Guide uses 2 additional cookies from the standard Gigya cookies described in the [Advanced Cookie Reference](#).

They are as follows:

- **gigyaCookieConsentGranted** - Allows us to know that you accepted the Gigya Cookie Policy that was shown when you first arrived at the site.
- **gig\_codeExampleGenPrefs** - Allows the Developer's Guide to remember your last viewed language for the built-in **Example Requests** code examples.
